Sir:

Submitted herewith on Form PTO/SB/08 is a listing of a document(s) in compliance with 37 C.F.R. §1.501.

A copy of each listed non-U.S. patent and/or patent publication and cited literature is being submitted.

The submission of any document herewith, which is not a statutory bar, is not intended as an admission that such document constitutes prior art against the claims of the present patent. Patentee does not waive any rights to take any action that would be appropriate to antedate or otherwise remove as a competent reference any document which is determined to be a *prima facie* prior art reference against the claims of the present patent.

Where available, copies of English language patent family members of non-English patent documents have been provided. Such submission of English language patent family members is for the convenience of the Office and is not to be construed as an indication that such

English language patent family members are literal translations of the non-English patents. Specifically, US 6,723,494 B2 is identified as an English language patent family member for KR 10-2002-0007220.

- The foregoing document(s) came to applicant's attention during the prosecution of their corresponding Korean application. A copy of the _____ Search Report is also attached. [Box(es) checked if applicable.]
